Fact Sheet

Pocket Armchair

Design by Rudolph Schelling Webermann

Made from genuine vegetable-tanned Italian leather hand-stitched by an artisan saddle maker, the Pocket Armchair by Rudolph Schelling Webermann is a celebration of quality workmanship. The leather shell sits neatly atop solid oak legs, leaving the sitter cleverly and comfortably suspended. Use the Pocket Armchair as a feature chair, alone or in groups. And this piece of furniture is intended to look better and better as it ages. A rich, pleasing patina gradually emerges over time, while you sit back and enjoy the process.
